Mrs Patricia A. Green, Surviving Spouse
Surviving Spouse Liaison

surviving-spouse@moaacfc.org

I became a widow in 2005. My husband, COL David E. Green, had his first career in the U.S. Army. He had a lifetime membership in MOAA that I inherited. A few months after his death, I received an invitation to the local Chapter luncheon. I joined and have been involved ever since. My duties ranged from reservationist and secretary to Surviving Spouse Liaison. In 2018, I was appointed as Surviving Spouse Liaison for the Florida Council of Chapters. In 2020, I was selected to serve on the Surviving Spouse Advisory Council at the national level. My term is 4 years with an option of a two-year extension. My duties are to lobby for the benefits promised to the military at enlistment. I serve Surviving Spouses and try to help however I can.
